FINE CIDER

All our ciders are made by real farmers, using only the juice of their apples & pears, sometimes mixed with hops, spices or other fruits, sometimes aged in barrels, but never made with concentrates, syrups or chemicals.

These natural ciders are in general less sweet than what you get from the big companies. Only the natural sweetness from the fruit can be present.

MODERN MEAD

Mead is a fermented, alcoholic drink, based on a mixture of honey & water. Also referred to as **mede** in Dutch or **honey wine**. The result is a beverage often to the sweeter side, ideal to pair with cheeses & desserts after dinner, or as a night cap.

There are six important subcategories not everyone of them is available at MALZ.

- **melomel** - mead with fruit
- **cyser** - mead with apple juice
- **metheglin** - mead with spices
- **braggot** - mead & beer blend
- **pyment** - mead with grape juice
- **bochet** - mead with caramelized honey
